

## TESTAMENTARY DISPOSITION

The following Testamentary Disposition is a Last Will and Testament for your Klawock Heenya Corporation Shares as authorized by Alaska Statute § 13.16.705. When properly completed, this document will direct who will receive your Klawock Heenya Corporation Shares after your death. This disposition can be replaced or updated by you at any time with the completion of a new Testamentary Disposition. The most recent one we have on file will be used to distribute your stock.

This document is just for the distribution of your Klawock Heenya Corporation Shares. It is **not** a complete will; you should have a general Last Will and Testament if you want to be certain that your other property will be distributed according to your intentions.

If properly executed, your Testamentary Disposition will govern the division of your ANCSA shares. If you do not have a valid Testamentary Disposition, your shares will be divided pursuant to your valid Last Will & Testament if Klawock Heenya Corp. or general ANCSA shares are specifically mentioned. Shareholders who do not have a valid Testamentary Disposition or Last Will & Testament will have their shares divided according to the Alaska rules of intestate succession.

Please be sure to have this form notarized by a state notary. Please be sure to provide the Klawock Heenya Corporation a copy of your form. It can be mailed, faxed, or emailed.
